## Coming Together Over the Holiday Season

The Bridge Engagement Center hosted a holiday get together with all of our partners, peers and participants where we enjoyed a meal together. There was good food and good company and we are so glad to have connected with people that make our work possible!

To **ALL** our partners and supporters, The Bridge Engagement Center would like to extend a warm, emphatic **THANK YOU**. We can not do this without you, we cherish you deeply and we very much look forward to working with you in 2025!

**The Bridge family wishes you all and yours a peaceful holiday season and a grand New Year!**

HAPPY HOLIDAYS
